

the time i traveled into space

1. First Name
2. Thing That Travels

the time i traveled into space

one day i was bored so i looked around to see what to do and then i thought since _____ First name _____ was out to

play i might do what i've always wanted to do which that is travel into space so i got packed and built a

_____ Thing that travels _____ it was hard doing it. i met a gooey alien it was gross and cool. I saw craters now that was

cool THE END.
