sex with dad

One day i was in my bedroom and my dad walked in and asked,"what are you doing?"; i said nuthin. he asked if i would like to do something and i said absolutely. he walked in farther and locked the door behind him even though my mom was at the mall. i took off my jacket and my dad helped me take off my shirt and pants. i have to say my dad is only 28 so it was like heaven! and hes really good looking. he took off his pants and boxers while i unhooked my bra and took off my blue lacy thong that matched my bra which i got from Victoria Secret where i model. once we were both naked, my dad lifted me up and carried me to the bed where he got on top of me and started sucking my huge boobs(i wear size 36DD). when he was done there and i was totally turned on and he was having an erection, he moved down to my pussy and started sucking and i shivered with delight as he stuck his tounge inside.

when he was done he layed down and i got on him and started giving him the best blowjob i could handle cuz of course ive had sex before. he was groaning with delight when i said im ready and he knew what to do. he sat up and i sat on his lap as he started proding my ass with his huge juicy dick and he stuck it in as i said DEEPER DEEPER DEEPER!!! i layed down on the bed and he stuck his dick in my juicy pussy. i gave him one final blowjob and he sucked my boobs and _____Body part_____once more until we got tired.

then we layed there intertwined on my bed having a hot makeout session while he slowly thrust his dick in my pussy. my mom came home and unlocked my door and saw us. to my surprise, she stripped down and started fingering

me and giving my dad a blowjob. i fingered her as we both made out and gave my dad a blowjob at the same time. we layed down and had a hot makeout session as my dad took turns thrusting in our asses. finally we reached our climax, my mom left, and me and my dad made out some more on my bed with his dick in my puicy pussy. i ate his cum and we made out for about Time Minutes or hours until my dad said, 'i've gotta go work.'; i asked if we could do this more often and he said well do it every night until i get married. i said sounds like a plan. he kissed me on the lips hard and said goodnight, well have some more fun tomorrow.
