8. Friends Last Name

the time i went to the future

it was an original day then i heard a knock so i opened the door and it was my best friends _____ A friends name

_____ Friends last name _____ A friends name _____ Friends last name we call _____ Friends last name _____ Friends

last name _____ and _____ A friends name _____ Friends last name _____ so i let them in we got bord so then i said loudly HEY

LETS GO TO THE FUTURE! they said ok so when we got there we were tired because it took a while so we

found this place that was called sleep deep this is the peep so we slept there i had a balast
