# Love story

There once was a man named,           Name          . He had           Adjective                     Adjective           hair and           Adjective                     Body part          . He was in love with a           Noun           named,           Name          . She was very           Adjective           and had           Adjective                     Adjective          . He one day decided he wanted to buy her something that would show how much he           Verb ending in 'ed'           her. He went through many           Plural noun           and           Plural noun           until he found the           Adjective                     Adjective                     Noun          . When he gave hr the gift she           Verb ending in 'ed'           him on the           Body part           and that day she said to him,           Exclamation/saying           ! He in return said I           Exclamation/saying           !!! They           Verb ending in 'ed'           and and rode away in a           Vehicle          . They lived           Adverb/ word ending in 'ly'           ever after.

The End.
