Who farted?

Hello I am Detective _____^{Last name} and my mystery today is to solve who farted. It all started at _____^{Time} Am when a _____^{Adjective} smell came from the bathroom nextdoor. I _____^{Past tense verb} over to see if something was the matter but no one was there. I knew that Mr. _____^{Last name} has been having gastrointestinal problems but I didn't know it was this bad. Then _____^{Past tense verb} that he was on vacation so he couldn't have made the smell. My next suspect was Fluffy the _____^{Animal}. Then, being my _____^{Adjective} self, I remebered that _____^{Same animal (plural)} don't use toilets so it couldn't've benn him. So I went to the batroom to look for some _____^{Plural noun}. I found a pregnancy test...it was positive. I thought Mr and Mrs _____^{Same last name} are too _____^{Adjective} to have kids. Then I remebered _____^{Number} nights ago . I had had a girl over and... I don't recall using _____^{Plural noun}. Since I had also gone to _____^{Adjective} school I remebered that preganant women have really _____^{Adjective} farts. There I had solved the case. Then I remembered that she hadn't been back to my house. After some _____^{Verb ending in ing} I realized that Mr. _____^{Same last name} was having an affair. So by the powers of my _____^{Same last name} deduction my one night stand made the smell. But there is still another mystery to to solved. In my next case... who's the baby daddy?
