Who farted?

Hello I am Dectectiveand my mystery today is to solve who farted. It all started at
Am when asmell came from the bathroom nextdoor. Ipast tense verbover
to see if something was the matter but no one was there. I knew that Mrhas been having
gastrointestinal problems but I didn't know it was this bad. Thenthat he was on vacation so
he couldn't have made the smell. My next suspect was Fluffy the Then, being my
self, I remebered thatsame animal (plural)don't use toilets so it couldn't've benn him. So I
went to the batroom to look for some I found a pregnancy testit was positive. I thought Mr
and Mrsare tooare tooto have kids. Then I remeberednights ago
. I had had a girl over and I don't recall using Since I had also gone toAdjective
school I remebered that preganant women have reallyfarts. There I had solved the case. Then I
remembered that she hadn't been back to my house. After some I realized that Mr.
Same last name was having an affair. So by the powers of my Same last name deduction my one night
stand made the smell. But there is still another mystery to to solved. In my next case who's the baby daddy?
