

My trip to canada

1. Water Form
2. Body Part
3. Animal
4. Noun
5. Number
6. Animal
7. Body Part
8. Noun
9. Surface
10. Emotion

My trip to canada

My trip to canada. Well first I had to swim over a Water form, and I got my Body part chop by a Animal. Then I climb up a huge Noun but I fell down Number times. Then wild Animal appeared. And I tossed my bag on the floor and jogged but suddenly my Body part got snapped at. Next I jump off a Noun. I felled dead and I stayed their on the Surface and died Emotion.
