Self Help

Help.
Brought to you by
Sponsored bysyrup and c.o. and your friend's spit.
Today's episode is about computer troubles and viruses.
If you want a computer, buy it. Make sure you don't havesecurity and have lots of
Next Noun:
Today'sis about freezing humans. You lock them in a freezer in alocker and yeah.

Next Noun:
Today's episode is about healingand bruises. You stare at them for the longest time and yell
and orat them and then if they don't heal youthem.
Next Day:
Today's episode is about fixingfreezes. First, you get a cat and rub it against your nose. Then
you stomp up and down like aprincess who didn't get her
(add the steen of relation the end!) pony! Finally, you consult a physician!

of the week:
Today's episode is how to zip Go out and buy bags. (To make this episode short, please buy
the nice bags with the thingy you pull across!) Then you pull the thingy that zips it to the right.
hope this show was useful because it took a lot of money to make these discoveries and to put the
show together. To bea please donate aboutnumbera person and I
may get some money back!
Thank you. Come again.
