Heelying at the Zoo

One day I was at the L.A. Noun with my family. We were having the best of times because I was only with my brother and Adjective cousin. We went where ever we wanted to, and it was awesome sauce. The fun wouldn't last the whole day however. Later on I was Verb down a big u turn hill, Conjunction it went Preposition Article Adjective Noun . As I was speeding at a speed of like 10 mph, I Past tense verb around the corner and lagged on Article hardly visible evil stick. I front-flipped down some of the end of the hill and scraped the Interjection out of my elbow, knee, and somehow my hip. Interjection ; I exclaimed in pain as my cousin just approached at high speed also.

 Pronoun tumbled Preposition me Conjunction managed to catch himself and save Pronoun body. I stood up slowly and Adverb and examined my red bloody elbow and knee. I limped Adverb over to the nearby restroom and cleaned myself off with some help from my bro and cousin. That wasn't just another boring day at the Zoo, thats for sure.
