A dog name lucky

There once was a Animal named First name. the Animal was so Adjective the original Noun died. Noun left and was Past tense verb again. The Noun said that's not a Animal that's a Noun gone wrong. the Noun said that dog is so Animal i am now Adjective Noun died. The Noun entered it to a Adjective Animal show. The first Noun said that Animal makes all the other Animal look Adjective. the second Noun gave it the blue Noun and left. the third Noun went home and later died. then one day a Occupation came and said he would do a Verb. the dog somehow got Adjective. the Animal got so Adjective everybody died the end.
