# Back to December

I'm so Feeling/emotion you've made time to see me, how's life tell me how's ur Animal I haven't  
seen them in a while, you've been good busier than ever, some Adjective talk, work and the weather, your  
Job is up and I know why, because the last time you saw me used to burn in the back of your  
Something rough you gave me all your Family heirloom plural and all I gave you was A cheap  
object this is me swallowing my pride standing in front of you saying I'm Feeling/emotion for that night, I  
go back to An event all the time, it turns out Noun ain't nothing but missing you wishing I'd  
realized what I had, when you were mine, I'd go back to An event turn around and make it all right, I'd go  
back to An event all the time.
