let me show you how to keep the dice rolling

when your doing that thing over there, homie

lets go

cause I feel like Iâ??m running

and Iâ??m feeling like I gotta get away, get away, get away

better know that I donâ??t and I wonâ??t ever stop cause

you know I gotta win everyday day, goooo

see they donâ??t really wanna pop me

just know that you never flop me

and I know that I can be a little cocky, nooo

you aint never gonna stop me

everytime I come a n-gga gotta set it then I got it going

then I get it, than I blow, than I shudder every little thing

that he be doing cause it doesnt matter cause Iâ??m gonna dadadadada

then Iâ??m gonna murder every thing and anything a badaboom a badabing

I gotta do a lot of things, and make it clearer to a couple n-ggas

that Iâ??m always winning and I gotta get it again and again and again

and I be doing it to death and now I move a little foul

a n-gga better call a, everybody know my style

lyrics courtesy of www.killerhiphop.com

and everybody know Iâ??m the the baddest

when I come to doing this and Im banging on my chest

and I bang in the east and I bang in the west

and I come to give you more and I never give you less

you will hear it in the street or you can read it in the press

do you really wanna know whats next, lets go

see the way we on, we be all up in the race and you know

we gotta go, donâ??t try to keep up with the pace

we struggling and hustling and sending in and getting in

and always gotta take it to another place

gotta taste it and I gotta grab it

and I gotta cut all through his traffic

just to be at the top of the throne

better know I gotta have it
