My vacation to Antarctica

In the fall of year 2015, I went on vacation to Location. We went there to surf. It took us 1 Noun and 1 second to get there. it was very Adjective. When we got to the Adjective Adjective hotel, we went to our ugly Noun. It was very big. It had a hot Noun.

As soon as we got up we went surfing. The water was warm. I got my Adjective surf Noun and I saw a Adjective Noun. I swam out to it. I saw a narwhale swimming right at me. It attacked me . It ate my eye brow!

I was rushed to the hospital. The doctor could not save my eyebrow. So the drew one with a Adjective sharpie. I looked awful. This is the worst vacation ever!
