Stupid docter

Once a boy named Ricardo was very, very Sickness. So he canceled his whole school program. The docter said to eat a medicine named 'If you eat this, I will kill you'. Ricardo didn't look so sad. The next day, Ricardo decided to take the medicine he got Tomorrows day. "Very tasteey-I mean yum!"said Ricardo.

Ricardo went to the docter next week. The docter that Ricardo must drown for Number years because his body was Opposite word of wet. Ricardo did that, and he went to the docter after those Number years.

The docter said that Ricardo drowned to much. "What a Stupid word docter!"said Ricardo's mother. So that docter Kind of death because Ricardo made the docter Kind of death for High number of years.

The end.
