# Sexy Chick!

Yes, I can see her

'Cause every           Noun           in here wanna be her

Oh, she's a           Noun          

I feel the same and I wanna meet her

They say she low down

It's just a rumor and I don't believe 'em

They say she needs to slow down

The           Adjective           thing around town

She's nothing like a Noun you've ever seen before

Nothing you can compare to your Noun

I'm tryna find the Plural noun to describe this Noun

Without being Adjective

The way that Body part Verb ending in ing; I can't take no more

Have to stop what I'm doin'; so I can Verb her close
