Once Upon a Time...

Once upon a time, there was a Size teacup. All the Animal plural in the land lived in the teacup.

One day, all of the turtles decided that the teacup should belong to them. All of the other critters were very upset about this and did not want to get out. So one day, the turtles, who at this point in time were very

Adverb and strong, got out of the teacup, each grabbed a side, and spun until all the other animals got

dizzy and came outside. The animals were so Feeling that one day, they decided to get revenge. They

filled the whole teacup, while the turtles were in it, with Food (plural). The turtles eventually got used to

moving so Verb that that is why turtles are Same verb today.
