## My Dog

One day you go to the pound and you are looking for a dog. You find the most cutest dog in the world! You pay the adoption fee and you take the dog. You name the dog $\qquad$ bring her outside and she does a lot of tricks. You enter the dog into a dog show.She wins and you are rich and $\qquad$ is very happy. 5
years later,She has puppies and every puppy is sold.Another5 years later $\qquad$ pushes up daisies and dies.The owner is very sad.The owner gets another dog and names it Trixie 2.
