# It Will Rain By Bruno Mars

There's no \_\_\_\_\_<sup>Noun</sup> that could save me

No matter how long my \_\_\_\_\_<sup>Noun</sup> are on the floor, oh

So keep in mind all the sacrifices I'm making

Will keep you by my side

Will keep you from \_\_\_\_\_<sup>Verb</sup> out the \_\_\_\_\_<sup>Noun</sup>.

Cause there'll be no sunlight

if I \_\_\_\_\_<sub>Verb</sub>\_\_\_\_\_you, baby

There'll be no \_\_\_\_\_<sub>Adjective</sub>\_\_\_\_\_ <sub>Noun</sub>\_\_\_\_\_

if I \_\_\_\_\_<sub>Verb</sub>\_\_\_\_\_you, baby

Just like the \_\_\_\_\_ Plural noun

my \_\_\_\_\_ Noun will do the same if you walk away

Everyday, it will rain,

rain, rain

.
