# what to do if an octopus attacks

Hi, im here to tell you what to do when an octopus attacks. It will atack because it'll think your gonna eat it for

\_\_\_\_\_ Meal \_\_\_\_\_. It'll put it's \_\_\_\_\_ Number \_\_\_\_\_ Adjective \_\_\_\_\_ tentacles around your body and squeeze you. If it

does that, try not to \_\_\_\_\_ Verb \_\_\_\_\_ for as long as you can, while your wiggling your arms. when you dont

\_\_\_\_\_ Same verb \_\_\_\_\_ your face turns \_\_\_\_\_ Color \_\_\_\_\_ then the octopus will think you're an octopus, and goes away.

If you sprays ink on you, get a \_\_\_\_\_ Animal \_\_\_\_\_ and spray the octopus back. trust me, this works, i've tried this

before, BUT, do not try this at \_\_\_\_\_ Place \_\_\_\_\_.
