Dear Jason

Dear Jason,

You're my best friend. You've always been there for me. I remember the time you saved two Animal from being taken by a Type of scientist. Everyone was Verb ending with ing for you as you ate Number Food just to beat Josh in an eating race. I remember the first time we Past tense verb. It was Adjective. You make my Body part Verb every time you Verb. Your Body part remind me of Something beautiful when you get An emotion which is a good thing. I remember that time when you decided to push Justin into the fire of park. That made me An emotion. I'm so An emotion for you Jason, for being the number Number person in my life. I will never forget you for being the most Verb ending in ing person ever.

Love,

Tessa

(P.S. -- You're so Adjective you make my Body part Adjective in the Place.
