# How I Proposed To My Girlfriend

Dear First name

You are the Adjective thing that has ever happened to Noun. I love you more than  
Noun itself. I am truly the Adjective ending in est man alive. Will you marry me? I promise to treat  
you like the Noun you are. We will have as many kids as you want, whether its Number or  
Number. I will Verb you always and treat you with Adjective.

Yours always,

First name.
