A sad love story (for girls) that didn't actually happen

Today I went to the Job(plural) office because my Body part had been Verb ending in ing for the last couple of Seconds minutes years weeks (ext.) and so I got there and there was a Adjective looking Noun that I knew would be mine forever. he Past tense verb me up and Past tense verb me into the Noun. I didn't know he was a Same job but he was, a great Same job. I said, "; Exclamation"; And then I asked if I just said that out loud, and he said Answer in a Adjective voice. I was so Adjective I Past tense verb away, after no being able to even Verb for Seconds minutes years weeks (ext.). he wasn't mine forever. and I never Past tense verb a Noun like that ever again. And he sure wasn't mine forever.
