10. Number
11. Plural Noun

The Apology

let me just start by saying that I'm sorry for what happened _____Day of the week_____. We can point fingers and say hurtful things about each others _____Noun_____. You could call me a _____Body part_____- _____Verb_____-er, and I could calmly point out that you are a _____Adjective_____ _____Profession_____. We both drank a lot, at least _____Number_____ bottles of Zima and another handle of _____Fruit_____ Boon's Farms.

I'll be the bigger man and admit that this whole ordeal was at least _____Number_____% my fault. It's just too bad that you had to lose your _____Plural noun_____.

We're still friends.
