# Late Night Dreaming

Have you ever been sound asleep and suddenly you feel a \_\_\_\_\_  
Verb on your \_\_\_\_\_  
Body part just when you were in the middle of the best dream ever? You know how it is, it happened to me last night. I was dreaming I was in a hot, steamy shower when this beautiful, \_\_\_\_\_  
Adjective \_\_\_\_\_  
Adjective male - who I didn't know - just appeared and slammed me against the tile wall and started \_\_\_\_\_  
Verb (ending in ing that might mean something like come in contact with forcefully or suddenly) his big, thick cock into my tight, wet \_\_\_\_\_  
Body part with a hole. Then poof! I wake up and see that it was all a dream and I am back in \_\_\_\_\_  
State you live in with my hot, \_\_\_\_\_  
Noun (person you might sleep with) and instantly heat up then get ready to \_\_\_\_\_  
Verb because I am still reeling from my dream, but \_\_\_\_\_  
Pronoun for person just mentioned (he or she) doesn't have to know that's why you are turned on.
