## Taylor, the King of the Stupids

It was a <u>Adjective</u> evening here in England. The night was <u>Adjective</u> the crickets were Adjective \_\_\_\_\_. Everyone was \_\_\_\_\_\_\_\_ except for one young lad named Taylor, who never listened to anyone. When his <u>Indirect object</u> asked him to get ready for school, he would <u>Adjective</u> in his closet and \_\_\_\_\_\_to show tunes. When his teachers asked him a question, he would run outside, and in a tree like Tarzan. Taylor was hopelessly stupid. But of course, he was given 3 wishes to make rent with his parents. The boy's first wish was to have a pack of bubble gum. Nobody knew why he wanted a pack of bubble gum, for they were only 1 pound a piece. Well, the sorcerer gave him his first wish, but that didn't make the boy any happier. So, his second wish was wasted on socks. He wished for a Adjective pair of ankle socks. The boy already owned about \_\_\_\_\_pairs of socks, but once again, nobody knew why he wasted another wish on his \_\_\_\_\_\_pair of socks. Now, right before Taylor was about to make anything stupid. Taylor took this offer, and decided to give it to Robert, the richest man in all of \_\_\_\_\_\_\_\_\_ object . Now, this was probably the stupidest thing that Taylor could have ever done, but what was done could not be changed. At the end, Robert wished for more money, and became a trillion and 1 air. The end.
