Adam is a dancer in one of those all male reviews in Las Location. Kris is the new bartender that drives him crazy. What this? What's best? Pronoun drive me fucking crazy, you know Noun? I can't stop thinking about you. I finally Verb maybe I can be sane again, and then here you are with your hand burning a hole into mine and you're standing there looking at me with those fucking . . . amazing eyes. Jesus, First name. What the fuck do you want? Can toppy!kris and toppy! adam work things out?
