# Chanse who?

Chanse Riley, was known as the           Noun           of the 2UCyouth group. His name means           Adjective           fortune. Chanse always carries himself as if he stands           Number           feet tall or the height of a four-story           Noun          . He is a/an           Adjective           eater and will even eat           Food          

Chanse is very strong! He can walked about           Number           miles while carrying a           Noun           in his suitcase .

But he is probably best known for being a fierce football player that would           Verb           his opponents until they cried           Relative           and surrendered.
