# McDonald's Adventure Attack!

It was a       Noun             Noun       night. There was cool snow fluttering down the street. Suddenly, your phone rings. Its a message from the totally spies. Your mission, infiltrate the enemy base. AKA Mickey Dee's. You begin your epic mission by traversing the evil playcenter, then recieving the care packge ( AKA Happy Meal). You then storm the infamous kitchen, when a cook burns his hand and you hear a... a.... A BABY JUST POOPED! ON MY       Body part       I was like, OMG and i was scared so i ran and got shoted by a employee so i died and went to hevin but i was helpd by a max revive. THE END!
