Mystery Dinosaur

I was walking through the _____^{Location} when I _____^{Past tense verb} into this huge circle of _____^{Plural noun}.

. Suddenly, I was back in the _____^{Animal} times! I was _____^{Verb ending in ing} around when I _____^{Past tense verb} into this HUGE leg. I ran back and looked up. It had a huge mouth, too, big _____^{Plural noun} on its back, and a _____^{Adjective} tail, and _____^{Adjective} teeth. I was _____^{Verb ending in ing} around when I found its nest and found that it had _____^{Plural noun} in it, too! Suddenly, I _____^{Past tense verb} over and saw more of the same kind of dinosaur. I found out that they were the older _____^{Animal plural} of the _____^{Animal}. I ran away from them until I bumped back into the tree circle and got back to my own time. _____^{Exclamation} I shall call it _____^{Animal}.
