

basketball

1. First Name
2. City
3. Animal Plural
4. Animal
5. Noun

basketball

Once upon a time there was a boy named First name . He wants to play for the City
 Animal plural . He went to the tryouts and found that he was far better than any other Animal out
there. So, he played his hardest and was fast as animal . He also could shoot from the perimeter and slam
it home from time to time. Maybe it was because Noun was so big.
