# Zombies and running wheels

My zombie \_\_\_\_\_<sup>Animal</sup> and \_\_\_\_\_<sup>First name</sup> like running \_\_\_\_\_<sup>Event</sup>. We normally \_\_\_\_\_<sup>Verb</sup> \_\_\_\_\_<sup>Adjective</sup> but not on the full moon \_\_\_\_\_<sup>Event</sup>. The secret to calm \_\_\_\_\_<sup>Person in the room</sup> down is to \_\_\_\_\_<sup>Verb</sup> \_\_\_\_\_<sup>Number</sup> \_\_\_\_\_<sup>Article</sup> of \_\_\_\_\_<sup>Plural noun</sup> to their \_\_\_\_\_<sup>Body part</sup>. Once their \_\_\_\_\_<sup>Body part</sup> are \_\_\_\_\_<sup>Adjective</sup> we play nice again.
