# Mommy Kissing Santa Clause

I saw Mommy \_\_\_\_\_Verb ending in ing\_\_\_\_\_ Santa Claus

Underneath the \_\_\_\_\_Noun\_\_\_\_\_ last night.

She didn't see me \_\_\_\_\_Verb\_\_\_\_\_

Down the \_\_\_\_\_Plural noun\_\_\_\_\_ to have a peek;

She thought I was tucked

Up in my \_\_\_\_\_Place\_\_\_\_\_ fast asleep.

Then, I saw Mommy \_\_\_\_\_Verb\_\_\_\_\_ Santa Claus

Underneath his \_\_\_\_\_Body part\_\_\_\_\_ so snowy white.

Oh,

what a           Noun           it would have been,

If           Person in room           had only seen

Mommy           Verb ending in ing           Santa Claus last night!
