## Night before christmas

Twas the night before	when all through the	Location
Not a creature was stirring, not even a	a mouse.	
The stockings were hung by the chim	ney with care,	
In hopes that St Nicholas soon would	be there.	
Thewere nestled all sn	nug in their <u>Noun</u>	
While visions of sugar-plums danced	in their heads.	
And mamma in her â??kerchief, and l	I in my cap,	
Had just settled our brains for a long	winterâ??s nap.	

When out on the lawn there arose such a clatter,
I sprang from the bed to see what was the matter.
Away to the window I flew like a flash,
Tore open the shutters and threw up the sash.
Theon the breast of the new-fallen snow
Gave the lustre of mid-day to objects below.
When, what to my wondering eyes should appear,

But a miniature sleigh, and eight tinny reindeer.
With a little old driver, so lively and quick,
I knew in a moment it must be St
More rapid thanhis coursers they came,
And he whistled, and shouted, and called them by name!
