Fantasy

Andy and Laura went out for an evening on the town. They checked into their favorite hotel, the Hotel and headed down to the Bar. After a couple of Fav drink two men came in and sat next to Laura. Andy headed to the bathroom. While he was gone, the man next to Laura began to touch her Body part under the bar. He soon realized that she was not wearing Sexy clothing. Within minutes he was kissing her on the Body part. When Andy returned, Laura told Andy that the men wanted to take her back to the hotel room and give her a night to remember.

In the elevator, the two men caressed Laura. Once in the hotel room, the two men began to pull Laura's Clothing off. It turned out she was only wearing a Sexy clothing under her dress. Within minutes, she was laying on the bed naked with Hot man (not andy) rubbing all over her. She had 2nd hot man (not andy) Body part in her mouth while Hot man (not andy) slowly rubbed her hot pussy and slowly slid his Body part into her ass. Laura moaned in excitement. He added a second Body part. The without warning, he pulled her away and starting ramming his huge Body part into Laura's wet pussy. While he was doing this, the other guy continued to finger her tight ass. Laura begged to have a cock in her Body part while being fucked by the other guy. Before long, both cocks were in Laura. As she came, both men climaxed in her and left her exhausted on the Furniture.
