## **Food Pyramid**

The food quide pyramid's original version was invented and designed inby Ann-Britt Agnsater
The food pyramid was based on the amount ofAdjectivePlural nounone needs to eat daily in orde
to maintain their health. Later it was developed to a pyramidlater introduced the Food
Pyramid to other European countries, as well as Tanzania and Sri Lanka. In 1992 it inspired American
Noun experts to develop an improved American food pyramid.
This initial pyramid became famous throughout Adjective and became an American
icon. One issue which this pyramid was believed to have was its rigidness. The new pyramid reflected the
concept that a diet should be structured according to Proper noun plural Adjective Plural noun .
The old pyramid allowed individuals to consume thewithin a certain range of servings, but
did not state how to interpret that choice.
