# how to escape a fire

One way to get out of a fire is \_\_\_\_\_  
down and sing a song. While youre \_\_\_\_\_  
run around in  
with your \_\_\_\_\_  
closed. If you feel a \_\_\_\_\_  
place, run into it as fast as u can to  
knock yourself unconscious. If you cant \_\_\_\_\_  
fast just keep singing, if you cant sing just start  
\_\_\_\_\_. If someone comes with a \_\_\_\_\_  
mask on, \_\_\_\_\_  
him in the face if he starts to  
move try \_\_\_\_\_  
him. Therefore if that doesnt work sing louder. Feel if the fire is getting  
\_\_\_\_\_  
grab a \_\_\_\_\_  
thing and put it on your \_\_\_\_\_  
to cool you off before  
you die.
