# Money

Hi everyone, I'm going to tell you about my life. First of all you should know that before you read this you need to make sure of two things, one, Have nothing in your mouth, two, go to the bathroom. I DON'T CARE IF YOU DON'T HAVE TO GO. GO!!!!!!!!!!!! and Three have fun. what, hu, o yeah that was three. Anyway here is my story.....

Every day i come out of the \_\_\_\_\_<sup>Noun</sup> i sleep in then i go and sit next to this \_\_\_\_\_<sup>Adjective</sup> \_\_\_\_\_<sup>Person</sup>. I know what your thinking, 'Why is that \_\_\_\_\_<sup>Adjective</sup> \_\_\_\_\_<sup>Adjective</sup> guy sitting next to a \_\_\_\_\_<sup>Adjective</sup> \_\_\_\_\_<sup>Person</sup>?' Well this is why..... I sit there because every day a \_\_\_\_\_<sup>Adjective</sup> man walks by and he has a briefcase filled with money, money and more money. So every day this \_\_\_\_\_<sup>Adjective</sup> man gives me his briefcase and then he chases me down the block in till the copes come and take the briefcase from me and gives it back to the \_\_\_\_\_<sup>Adjective</sup> man. I know, how \_\_\_\_\_<sup>Adjective</sup> it is to take a present from someone, It hurts sometimes but you lean to deal with it. anyway the cops take me to the Big House and I get voted innocent! Yeah! so the cops let me go and then I go back into the ally and fall asleep in till the \_\_\_\_\_<sup>Adjective</sup> man walks by and gives me his briefcase.

Well thats my life, pretty \_\_\_\_\_<sup>Adjective</sup> hu?
