Caroline and the Unkown Word Lib

Once there was a girl named Caroline and another girl named First name. On a day when Same

name used before was came over to Caroline's Noun they got a phone call! It was an evil Animal

which they called unknown! Unkown had Caroline's Noun and she was going to get Same name

used before next. So they Past tense verb off to find unknown. but when they got outside they spilt up and

unknown got Same name used before So Caroline went on a mission to find Same name used before and her

parents. when she ran into the Location that is when she met Shay-Shay who was going to Past

tense verb her on her misson. they searched day and night for days and they finally saved Same name used

before and everything ended up Adjective did it?
