DSi

The new DSi has probably _____Number_____different functions. The camera, the sound tweaker, picto chat, the DSi shop, and the game that's in you slot.

The Camera

The camara has about _____Number_____different lens which are all really _____Adjective_____. I like the Distortion Lens that makes you _____Body part_____look _____Adjective_____. You can also make frame or use the _____Adjective_____ones on the DSi.

The Sound Tweaker

With the sound tweaker you can make your voice go _____ Adverb _____ or _____ Adverb _____ after you record your voice. You obviously speak with your _____ Body part _____ into the _____ Noun _____.

Picto Chat

With picto chat you can doodle and write to people. You may want to try and draw a _____ Noun _____. Or write to someone you know and remind them about something.

Those are 3 of the Same number as the first number you used things you can do on a DSi!
