2. Noun

The Climb

I can Almost see It that Dream I'm Dreaming But There's A Adjective Inside My Noun Saying

You'll never reach it Every step im taking every move i make feels lost with no direction my faith is shaking but

I i gotta keep trying gotta keep my head held high cause theres always going to be another mountain im always

gonna wanna make it move always going to be an uphill battle sometimes your gonna have to lose aint about

how fast i get there aint about whats waiting on the other side is the climb
