# Farm Funnel Fury

It had been a \_\_\_\_\_ day. The sky was dark and \_\_\_\_\_ looking. The air was \_\_\_\_\_ but so quiet that you could hear a \_\_\_\_\_ drop. The weatherman on the \_\_\_\_\_ weather station said that conditions were favorable for tornadoes in the \_\_\_\_\_ area to develop. He warned the people of the \_\_\_\_\_ town to stay tuned and to listen for directions in case something \_\_\_\_\_ happened. After listening to the forecast, the farmer ran to his barn and saddled up his \_\_\_\_\_ horse. He had to go out to the pasture and round up his \_\_\_\_\_ and get them to the safety of the barn. He knew it was \_\_\_\_\_ but he had to protect his \_\_\_\_\_ animals. The \_\_\_\_\_ were worth \_\_\_\_\_ dollars each. He was only in the field for \_\_\_\_\_ minutes when he realized that he made a \_\_\_\_\_ mistake. The storm was moving faster than he thought it would. It was travelling at \_\_\_\_\_ miles per hour. The sky looked as if it had been \_\_\_\_\_ verb \_\_\_\_\_. To the east it was bright and \_\_\_\_\_, but in the west the sky was dark with \_\_\_\_\_ looking clouds. When he found his \_\_\_\_\_ by their \_\_\_\_\_ they stared at him as if they did not know what to do. When the funnel saw the \_\_\_\_\_ looking funnel closing in on him, his horse got \_\_\_\_\_ and ran off to the safety of the barn. The funnel \_\_\_\_\_ dropped to the ground and the farmer ran to his \_\_\_\_\_ and laid down flat beside it. The tornado turned around \_\_\_\_\_ and got very close to him. He saw something out of the corner of his eye flying through the air. A \_\_\_\_\_ flew out of the tornado and hit his head and knocked him out. He woke up \_\_\_\_\_ minutes later. He felt \_\_\_\_\_ and his head hurt. A \_\_\_\_\_ vet \_\_\_\_\_ shook him to wake him up. The farmer

finally recognized him. The vet checks his animals for \_\_\_\_\_*Adjective*\_\_\_\_\_diseases two times per month. The farmer told him to go get help. The farm was badly damaged. Luckily, he had \_\_\_\_\_*Adjective*\_\_\_\_\_insurance.
