# My computer

My computer.

\_\_\_\_\_ Number \_\_\_\_\_ days ago, I got a computer... It was called the \_\_\_\_\_ Anything but verb \_\_\_\_\_ atron \_\_\_\_\_ Number \_\_\_\_\_. It is so \_\_\_\_\_ Adjective \_\_\_\_\_ and \_\_\_\_\_ Adjective \_\_\_\_\_ I would lick it out of happiness. It has a \_\_\_\_\_ Adjective \_\_\_\_\_ built engine and it kind of reminds me of my \_\_\_\_\_ Family member \_\_\_\_\_ because its so \_\_\_\_\_ Adjective \_\_\_\_\_. It is the most \_\_\_\_\_ Adjective \_\_\_\_\_ PC I ever had. It's new smell smells like my candle scent, \_\_\_\_\_ A scent \_\_\_\_\_. I reccomend getting this computer because it is such a \_\_\_\_\_ Adjective \_\_\_\_\_ computer.
