Hannah Montana

Miley Stewart lives a double life as an average teenage _____^{Noun} at school during the day and a famous _____^{Type of music} singer, at night, concealing her real identity, Hannah Montana, from the public other than her close friends and family.

Miley lives in a _____^{Noun} by the beach with her father Robby Ray and 16-year-old brother _____^{First name}. The Stewarts are from _____^{Location}. Her father is also the disguised manager of Hannah Montana.

When Miley first arrives to Seaview Middle School as an eighth-grader, she meets her best friends _____^{Name of a person} and _____^{Name of a person} who eventually figure out her secret. She is currently a high school freshman. Due to her double life, Miley is often involved in _____^{Adjective} situations, but even in her normal life as Miley, she makes the same mistakes _____^{Animal (plural)} would. Her problems continue when she moves on to the same high school her brother attends.

Each episode deals with life, personal conflicts, or _____^{Type of math}_____ problems that are easily solved, with lessons learned by the show's end.
