At the moment.

Two days ago, my Noun was so Adjective to celebrate the Event Preposition temple of Location I had to Verb to my mother in law to Verb Adverb of my Noun for Number day. With worrying I came to TTI and then concentrate on studying English. Location I got a call from her with souds of son's crying out. When he woke up, he Adverb that she was not my mom. He Past tense verb to crawl aroud house to find out Noun and my Noun with unsmiling facial expression. What a pity boy! I'm sorry to him why I'm not a mom who is Adjective and Adjective .
