Sierra Leone

In Sierra Leone, We're going on a feild trip to the Chimpanzee Sanctuary. It will take about half an hour to get there and we have the students from Annie Walsh Memorial School.

When we got to the Sanctuary, Bobby hit _____Noun_____when we were getting off the bus and we had to rush him to the nearest _____Noun_____. On the way there everyone was worrying and Bekka tripped over the _____Noun_____and took out a tooth. Now, there were only 13 students left, what could go wrong? We got through the santuary gates without any trouble, when Luis knocked over a _____Noun_____of _____Noun_____ then Jonathan slipped over the spilt _____Noun_____. Isabelle cried, Jordan _____Noun_____ and Shane was having a nervous breakdown. We finally arrived at the Chimpanzee Sanctuary and the oldest Chimp named _____Noun_____all over Ryan. We had to call 5 of the parents to pick up their children. Now, with only 8 students left, we went on to the Lion Sanctuary. "Oh what fun, let's see what happens this time", called one of the students. We got there and Austin was talking to the lion, he said, "; Hey little _____Noun_____watcha doin', you wanna come to my house?"; While we tried to pry Austin away from the Lion, Kamal fell into a big pile of _____Noun_____. While we tried to get Kamal to stop crying, Austin tried to sneak away with the Panda in the next Sanctuary and we had to call his mother to come and pick him up! Since we now only had 7 students left, we decided to go on back to school. Inside the bus, we found a _____Noun_____sitting on one of the bus seats while eating another. So we decided just to walk back to school. Just our luck, it started to rain. Then, Kyle started to _____Noun_____when Myah tried to calm him down! Soon enough we got back to school and we had a pop- quiz waiting for us when we

got back.

Calista looked up and screamed, "; This has been the **WORST** day ever, just get me out of this school!";.
