walking on the street

One dayFriend	and I went walking on the street. Next thing we know a hobo was following us, and he
asked for some	Object but we said we dont have that. The hobo said that he saw us walking into the
Name of store	_ store. We just said we where looking. He told us to give him our shoes. We said that we had
Type of shoes	and he wont be comfortable in So we took him to my house and gave
him some shoes he	asked if we can be and get him some food. we told him that this is not
my house so get it	yourself he said ok after he ate we gave him a bath. But he told us he can take a bath by
himself kicked us o	out. After he was done he stole all my so we kicked him out of my
house.
