The Dirty Mind Song

There was an old farmer who lived on a rock
He sat in the meadow just shaking his
at some boys who were down by the crick
Their feet in the water, their hands on their and play things at a half passed four
una piaj una piasea rour
There came a young lady who looked like a
Adjective young preacher
She sat on the grass, she pulled up her dress
And she showed them her
Plural noun and laces and white fluffy duck

She said she was learning a new way to	
up her children, so they would not spit	
While the boys in the barnyard were shoveling	
and litter from yesterday's hunt	
While the girl in the meadow was rubbing her	
at the fellow, down by the dock	
He looked like a man with a sizable	
in the country, with a big fence out front	
If he asked her politely, she'd show him her	
Little pet who was subject to fits	
And maybe she'd let him grab hold of her	
Small, tenderwith a movement so quick	

And then she'd bend over and suck on his
Noun so tasty made of butterscotch
And then he'd spread whip cream all over her
that she had left out on her shelf
If you think this is dirty
You can go f*ck yourself!
