The Princess

| Once upon atime there was a princess, who lived in a she longed for a prince |
|------------------------------------------------------------------------------------------------------------------|
| who lived far, far away. so one day she left herin order to find the prince and his noble |
| Noun as she was Verb along a path, until she fell into a Adjective Noun that |
| wasand aboutfeet tall. she was stuck in there for a while. she was having a |
| verytime. she started so that some could here her. at the the |
| king was getting worried, so he sent out someto look for her. none of thefound her, |
| but hours later, the prince found her sleeping. her tried to wake her up, but could not he pulled her out of the |
| and put her on his while they wereto the princes castle, the |
| princess awakened. she asked him, 'where am i.' he answered, imyou to my castle to |
| make sure you are ok, and i was also wondering, 'will you marry me.' oh well yes,the princess |
| |
| |
| |
| And they livedever after |

the end.
