the alien who eats computers

| Once opon a3:01 to be exact all the kids just got out of school NO homework NONE at all |
|---|
| they all went home to play onit got dark darker and even darker parents called out time for |
| supper they answered later not now i'll eat later and while they were playing something an [alien] swooped down |
| from planetand said im from planeti shall eat yourthe |
| kids said NOOOOOOOO you will not eat mythe aliens rseplyed then i shall eat you and your |
| the kids said NOOOO the alien said yes yes i shall then he ate the kids and they lived happily eve |
| after in the aliens Body part lol this was a dumb story i know it was supposed to be. |
