The sickness

I was at Location when I caught a sickness. It was called Noun. I got it from a(n) An animal. Here are the symptoms:

1. You'll start wanting to eat Noun.
2. You will want to start needing to look like a An animal.
3. You're face will turn Adjective.
4. You'll start to look like a An animal.

You can now imagine what I look like now.
